

I have been creating printable for personal use and sharing with people around, so parents & caretakers will be benefited.

Please do not use it for any business and commercial purpose

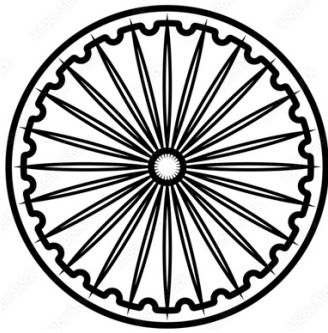

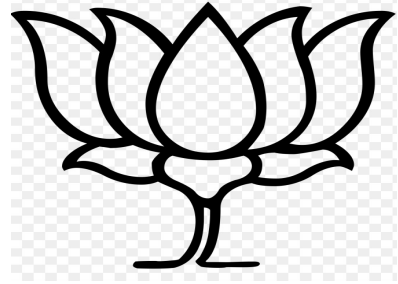

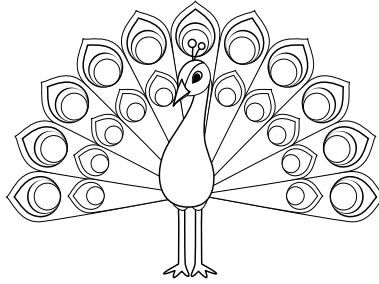

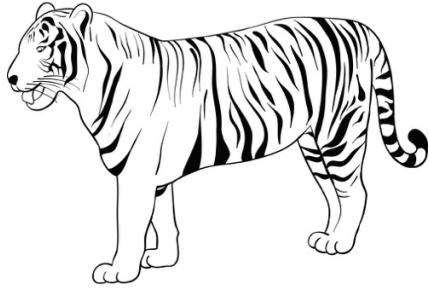

If you have found any mistakes in this document – do email to journalsofmomma@gmail.com

These can be colored and used as story telling props.

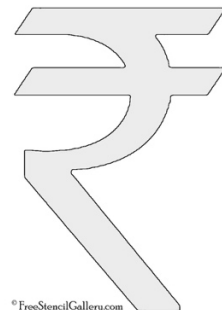

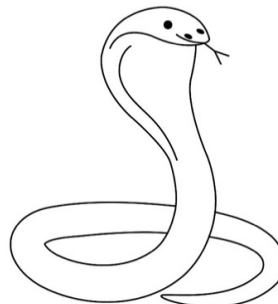

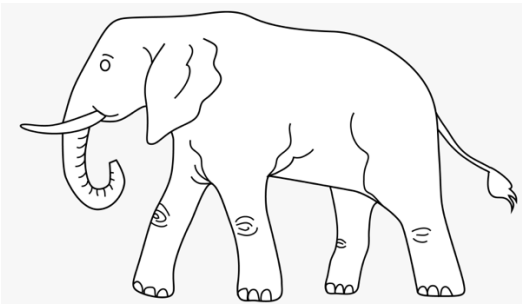

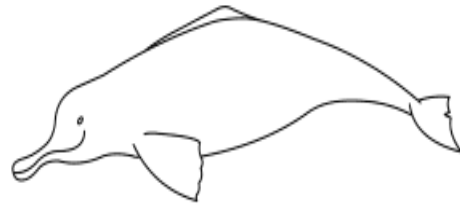

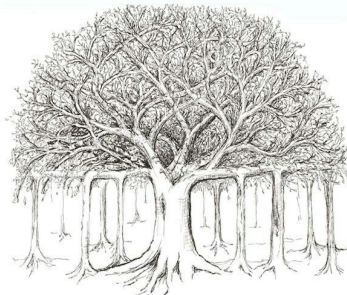

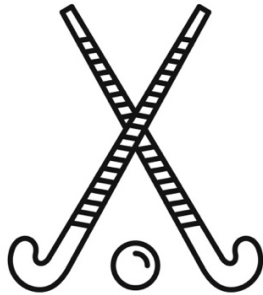

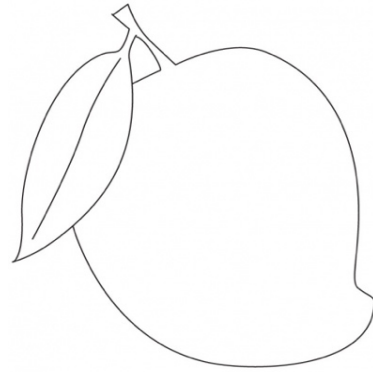

For better Quality and prolonged usage:
Take print out on white card stock paper

If you like my printable do follow my page, to support my work
